

Sisu Community Social Organisation

Overview of the Organisation

1. Background

- Sisu Community Social Organisation is an NPO, was established and founded on the 26th of May 2023 by Qondane Tembani.
- Sisu is a Swahili name, it means to be determined and brave.
- To address social issues and needs within the community.
- To promote social cohesion by bringing people together, facilitating social interactions, and creating a sense of belonging, and build a stronger and more resilient community.
- To provide support and services to individuals and families in need.
- To advocate for the rights, community empowerment and interests of community members.
- To build social capital, which refers to the networks, relationships, and trust within the community.
- To enhance quality of life, ultimately, the purpose is to enhance the overall quality of life for community members.
- Invitations were issued out to mobilize interested community members.
- Several meetings were held to develop documents.
- The organisation has registered and receive the certification from the Department of Social Development on the 13th November 2023.
- There is no complete project or programme hitherto, or successful story to tell.
